

October 19, 2009

Salve Regina University  
Newport, RI

Dear Tutor,

South Kingstown High School has a Wednesday morning tutoring program for our ninth graders. This program is for freshman students who are struggling with one or more subject areas. The key components of this program are organization, improvement of study habits, and academic success.

If you are interested in tutoring for the academic school year of 2009-2010, please complete the attached portion of this form and return to the guidance office at South Kingstown High School. The tutoring sessions are scheduled for Wednesdays from 7:37 – 8:25 AM.

We are inviting you to the parent informational meeting on **Wednesday, October 28, 2009** at 6:30 PM in the high school library. Your attendance is greatly appreciated as we will introduce you to the parents, as well as have a brief meeting with all of the tutors.

Feel free to contact us at 360-1004 if you have further questions. Thank you for your cooperation and assistance.

Sincerely,

Ms. Anahid Avedesian  
aavedesian@skschools.net  
School Counselor
